¿Cómo descargar un artículo de AEA?

Una vez que acceda al listado de los años disponibles de cada título y desea descargar un artículo, se posiciona sobre el título del artículo.

The screenshot shows the website for the American Economic Journal: Applied Economics, Vol. 9 No. 3 July 2017. On the left is a sidebar with navigation links such as 'Journals', 'American Economic Review', 'About AEJ: Applied', and 'Issues'. The main content area features a search bar and a list of articles. A prominent red button at the top of the article list says 'Full Issue Download PDF (AEA members only)'. Below this, there is a search filter section with checkboxes for 'Title', 'Abstract', and 'Author', and a dropdown menu for 'All Classifications'. The article list includes:

- Front Matter** (pp. i-v)
- Cash for Corollas: When Stimulus Reduces Spending** by Mark Hoekstra, Steven L. Puller and Jeremy West (pp. 1-33)
- The Effect of Labor Migration on the Diffusion of Democracy: Evidence from a Former Soviet Republic** by Toman Barsbai, Hillel Rapoport, Andreas Steinmayr and Christoph Trebesch (pp. 34-69)
- Team Production in International Labor Markets: Experimental Evidence from the Field**
- Do the Effects of Temporary Ethnic Group Quotas Persist? Evidence from India**
- Why Do College-Going Interventions Work?** by Scott Carrell and Bruce Sacerdote

Abstract

Do electoral quotas for ethnic groups continue to improve their chances of winning elections after quotas are withdrawn? This is an important question since ethnic group quotas are common, and are often intended to be temporary. Using natural experiments, I find that electoral quotas for India's "scheduled castes" (SCs) fail to boost SCs' chances of winning office after they are discontinued. These results contrast with the significant positive effects of past women's quotas found in similar contexts.
